## **PRESS RELEASE**

Virgin Islands Board of Nurse Licensure

4/24/2018 4:55 PM: For Immediate Release

In October 2017, the Virgin Islands Board of Nurse Licensure (VIBNL) announced an extension of licensure expiring December 31, 2017 through March 30, 2018.

However, due to the circumstances which include the displacement of the VIBNL's office and inaccessibility to the Board's records, the Virgin Islands Board of Nurse Licensure is implementing the following policy effective immediately:

Licenses for Registered Nurses (RN) and Advanced Practice Registered Nurses (APRN) that expired December 31, 2017 will now expire July 13, 2018.

This extension only applies to nurses who have not received their physical licenses or quick confirmation of renewal as of April 30, 2018. This means that RNs and APRNs for whom this condition applies, may continue to work in their present capacity. Renewal applicants whose applications are postmarked after March 30, 2018 must include the \$200.00 lapsed penalty fee in addition to the applicable renewal fee.

The Virgin Islands Board of Nurse Licensure would like to remind licensees that payment for renewal is payable by money order or certified bank check only. Fees are as follows:

- RN Renewal: \$125.00
- APRN Renewal \$150.00

Completed renewal packets and money orders should be addressed to:
